

Springfield Local School District  
Levy Renewal Fact Sheet  
Issues #8, #9  
November 2, 2010

**Question:** Will the passing of these two issues increase my taxes?

**Answer:** NO, these two renewal issues will not increase taxes. Renewing the levies will simply allow the school to continue to function at the current level.

**Question:** How many renewal issues are on the ballot?

**Answer:** Two. Ballot issues #8 and #9.

**Question:** How is the money spent in Springfield Schools?

**Answer:** The monies collected from Issue #9 will go toward paying for daily operating expenses such as utilities, student transportation, food service, furniture, textbooks, materials, supplies, salaries, and benefits. Issue #8, a permanent improvement levy, is used for the maintenance of our buildings and properties.

**Question:** Why is it so important to pass the renewal issues?

**Answer:** Issue #9 provides \$1.5 million and Issue #8 provides \$347,500. Without these funds many services and/or materials would need to be cut and the district's operations would be severely hampered.

## **SAMPLE BALLOT:**

- Renewal Issue #8**
- Renewal Issue #9**

RENEW our FUTURE
